

Development Partnership

An opportunity to buddy up with the Wingate Team to support you in making change. We are happy to share your thinking around developing and progressing your early years practice, exploring environments indoors and outdoors, planning, documentation, assessment and other considerations. We are happy to offer a bespoke package to suit your requirements, needs and budget.

what's typically included

- Your school or setting can bring up to 12 people to experience 'a day @ wingate'
- A smaller group of up to 6 can return to spend half a day, discussing and planning the developments and potential changes you wish to make, with input from Becky and Nichola, Headteacher and Deputy respectively
- At a mutually convenient date and time for both parties, Becky and Nichola will visit your school or setting to observe the changes and developments made and contribute to any further ideas you may want to discuss
- And as we say to our children every year as they leave and move to primary school, "once a wingate kid, always a wingate kid", we'll say to you, "once a wingate partner, always a wingate partner!" giving you lifetime contact with our school for enquiries and future plans
